Dear Mr. Tornator,

I just wanna give a thank you for taking time from your vacation time. Another thing I wanna give a thank-you for, when you said a very nice goodbye when you left our classroom.

Mr. Tornator, you inspired me when we talked about how your job is really important. Then, another thing that made me think that was cool was when you said you have a full-time job. When you plan like when the grass gets mowed at the park.

So I just wanna say a thank-you again for coming to our class. Have a great day being mayor.

Dear Mr. Tornatore,

Thank you for coming to our classroom!  
I was very happy to see the mayor of  
Newark valley. The only person I've seen  
that is important is my dad which is a pretty  
pretty big person in the company.

I learned that it is always important  
to participate in anything and everything. I  
enjoyed you telling us about the government  
and telling us what is going on in  
Newark Valley.

Once again, thank you. I really appreciated
