Mayor's Message

9 Park St. 642-8686 vonvmayor@stny.rr.com

Good Spring Season to Everyone,

Walking by your Village Municipal Building; please notice the most recent Window Restoration project is underway. Asbestos and lead removal; restore with new putty and paint; and lastly installation of exterior storms, to protect these 1886 windows. This restoration is the last phase of your Villages' 2006 Historic Preservation Study. I thank the current Village Leaders along with your past Trustees for their perseverance with allowing this to occur.

Many of us know and continue to believe that Volunteerism in our area is vital to many happenings throughout the County. Volunteers for many logical reasons eventually retire from these community services. So, younger residents must take the place of those leaving service. This is a "not so subtle" request for your attention to volunteering. We all know of a few of the local groups: Tappan Spaulding Library, Hope Cemetery Association, Northern Tioga Historical Society, Food Pantries, Summer Festival on July 30th, Tioga Opportunities and many more. Many of us can guide you and your Family to an agency appreciating your youth and attention.

Village Trout Ponds Park infrastructure projects are front and center. The new roof and structure improvements to your large Pavilion is somewhat

complete. Your Village Trustee and neighbor Joe Mooney has applied for a Trout Ponds Funding opportunity. We appreciate Joe's initiative and will report further as time goes by.

Your Village Fiscal Year begins each March, and our Village Board is set with Deputy Mayor Scott Kasmarcik, and Trustees: Ted Hardenstine, Jr., Joe Mooney and John Tomazin.

Stay Well,

*Jim Tornatore, Mayor
Village of Newark Valley*

CLERK'S OFFICE:

9 Park Street 642-8686 vofnv@stny.rr.com
Mon.-Thurs: 9am - 5pm Fridays: 9am - Noon

Happy Spring, Happy Winter, AND Happy Summer all in one week!! Welcome to Upstate New York. Hopefully, the weather will stabilize soon and will consistently get nicer and nicer for a beautiful summer!

We would like to officially welcome Ted Hardenstine, Jr. as your newest Village Trustee. We are thrilled to have Ted join the team and feel he will be a great addition to the Village Board. I would also like to welcome back the returning Board members, Jim Tornatore- Mayor, Scott Kasmarcik- Deputy Mayor, John Tomazin- Trustee, and Joe Mooney-Trustee.

Now that the nicer weather is upon us, we are enjoying being outside more often. If you are walking your four-legged family members, please remember to leave the house prepared to clean up after them. We can't control where our pets decide to "go" - it may be in someone's yard, a vacant property, on a sidewalk or at one of our public parks. Please clean up after your pet – no one likes to step in dog poo or clean up after someone else's pet. Please help to keep our beautiful Village looking its best.

As with every spring, there is a lot going on in the Village office. We are preparing the annual report to send to the State. This report is similar to a tax return, but for municipalities. We are happy to report that we have received our annual fiscal rating from the state. Our Village has received a 'No Designation' rating, which is the best rating a municipality can receive. We will soon have our annual audit from our CPA firm, Insero and Co., for our water system. This audit is an annual requirement as a condition of our bond with USDA.

Our water rates have not been adjusted since 2009. Due to increasing costs everywhere, we have determined that it is now necessary to make an adjustment. You will notice a change in your upcoming, June 1st water billing. Changes will be in your water usage portion of the quarterly bill.

| | Current Rate | New Rate |
|---------------------|---------------|--------------|
| 0 – 500 cubic feet | \$30.00 | \$37.50 |
| Over 500 cubic Feet | \$.0458/cu ft | \$.063/cu ft |

A reminder how your quarterly bills are calculated; water is billed for actual usage for that quarter. Meters are read on or around the 15th of the month prior to your bill date. Garbage/Recycling on the other hand is billed in advance. For example, your June 1st bill is for water used from the February 16th thru the May 15th; Garbage is for July – September collection. If you have any question of this, please don't hesitate to contact us.

The Village offers several delivery and payment options. Bills can be mailed or emailed directly to you. Payments can be made in-person, mailed, placed in the drop box, online at www.AllPaid.com (processing fee applies) or via direct debit from your bank account. Contact the office with questions or for more information.

At home COVID tests are still available for no cost at the Village office. Feel free to stop by and pick some up.

I hope everyone has a wonderful spring and summer!

***Best Regards,
Pam Benthin
Village Clerk-Treasurer***

PUBLIC WORKS DEPARTMENT:

83 Whig St. 642-8700 villagebarn@stny.rr.com

Spring is in the air! I am sure we all are itching to get back outside and start enjoying the warmer weather.

We have started the Tuesday morning brush/leaves/debris pick up. We normally start by 6:30 AM. We would appreciate all small loose materials be put into cans, or paper lawn bags. This makes it much easier to clean up all your debris. Also remember that branches, and sticks are much easier to handle for us if they are less than 48" long. If you are removing a whole tree, you or the company you hired are responsible for the removal of all debris.

You may notice a new face here at the DPW. Micheal Walburn joined the crew this January and has done a wonderful job so far. I hope the village has him for many years to come.

The DPW is currently busy with cleaning up after this winter, filling potholes, cleaning up branches and other debris, repairing street signs, and preparing for the mowing season to begin. We will be testing and painting fire hydrants when the weather gets just a bit nicer. Along with cutting back tree branches on the sides and over our village streets. Please be patient with us and give us a break when you see us working on or near the streets. Thank you and have a great day!

TAPPAN SPAULDING LIBRARY:

6 Rock St. 642-9960 director@tsmlibrary.org

Happy Spring from Tappan-Spaulding Memorial Library! We hope you are enjoying the sunshine as much as we are! We have two major announcements to share:

1. Our beloved **LEGO Night is BACK** and will be the 2nd Wednesday of the month beginning **May 11th, 2022!** LEGO Night will be held in the Noble Room in the Post Office Building across

the street from the library. All children are welcome to bring their imagination and come build with us from **6:30 -7:30pm**. Each month there will be a different theme and a drawing for a LEGO giveaway. Stop in the library and check out the LEGO builds that the children came up! They will be on display in between LEGO Nights.

2. On **Tuesday, May 17**, Newark Valley Central school district voters will get the chance to vote on a referendum that will provide \$50,000 as an annual provision for the Tappan-Spaulding Memorial Library in Newark Valley. This is the first time that the library has pursued this funding option in its **114-year history**. State law allows the proposed creation of this form of funding to be put up for a public vote by the school district in which the library is located. The appropriation is not part of the school budget and does not affect school district funding.

Tappan-Spaulding Memorial Library is a municipal library by charter. Trustees comment that the funding initiative is necessary due to an increase in operating expenses coupled with reductions in revenue in recent years. For fiscal year 2021, 10% of the library funding came from Tioga County and 5% from grant funding. Another 5% came from individual donations from generous patrons and businesses. The remaining **80%** of library funding in 2021 came from the sale of investment holdings. While the library is ever grateful for the support from the County of Tioga and the Town of Newark Valley, we still

operate on a negative budget. This means we are dependent on our reserve fund. In recent times there has been a significant decline in income from those reserves. Continued sales of investments cannot be a sustainable long-term solution, as they would eventually be liquidated. This initiative ensures that the library will have a reliable source of funding to continue to provide the same level of services to the community. Almost all the libraries in the Finger Lakes Library System of which we are a member, use this method to raise stable community funding critical for their operations.

Should this vote pass, the funding provided would enable us to maintain our open hours, continue to provide competitive wages for our staff, be able to continue programs and events for all ages, add more new materials, keep current with technology and most importantly, have stabilized funding to cover budget shortfalls. While this proposition adds an additional tax burden to our residents, based on the assessed property value at a rate of \$.16 per \$1000, it comes out to **\$16 a year** for the household with an assessed value of \$100,000, which is a small and reasonable amount for our expansive library services.

Again, the vote on the library funding initiative will take place on Tuesday, May 17th from noon to 8 p.m. in the Newark Valley High School Auditorium and is placed as a proposition on the school ballot. All voters eligible to vote in the school district elections and budget vote would also be eligible to vote on the library funding initiative.

Also, we are starting to plan our Summer Reading events - follow us on Facebook, Instagram, and check our website to stay up to date on the fun events to come this summer!!

NORTHERN TIOGA
CHAMBER of
COMMERCE:

northerntiogachamber@gmail.com

Helping Business Take Flight Chamber

The Northern Tioga Chamber is proud to be a part of the Northern Tioga community and continues to look for ways to help our business members. Suggestions are always welcome as to how we can help our members better.

Here are a few of the things the chamber has been working on:

E-Blast

Since 2017 the chamber has been publishing a weekly E-Blast on every Friday morning at 9 AM to all those who subscribe. What is an E-Blast? The E-Blast is an email that is sent out

containing events that are happening in our general area of Northern Tioga County and surrounding communities. We also alternate ads for our business members to support and keep our local businesses in the forefront of our minds when thinking about shopping or dining in the area. We ask our members and local organizations to send us their upcoming events, news, or specials so that we can post them in our E-Blast. We currently have over 200 subscribers! The subscription is free, and you can subscribe by going to our website at <https://www.northerntiogachamber.org/> and clicking on the "Subscribe to Our Weekly Eblast" button. You can unsubscribe at anytime in the event you no longer wish to receive the email. To send us information about an upcoming event, please send the information in the form of a pdf or jpg file to: ntcceblast@gmail.com. We request that you send the information at least 1 week before the event, remembering that the E-Blast is sent out on Friday mornings.

Welcome Baskets

The purpose of our Welcome Basket program is to gift new home buyers in the Northern Tioga communities of Newark Valley, Berkshire, and Richford with a basket of items provided by local merchants, to welcome them to the area and introduce them to local businesses. Community supervisors are encouraged to submit the names of new homeowners to the chamber so we can provide them with this 'welcome' basket. And area businesses are encouraged to provide a supply of 'gift' items (pens, notebooks, discount coupons. etc.) to be included in the baskets. Check with the chamber for more info on this program.

Boulevard Banners

The Chamber is once again offering Boulevard Banners to Chamber Members and Non-members. These are the signs

you see lining Main St. in Newark Valley. Price for Members is \$150. With a yearly maintenance fee of \$10. Price for non-members is \$250. With a yearly maintenance fee of \$30. If you have any questions or would like to place an order for a banner, contact Mer Barrett at mer.northerntiogachamber@gmail.com

Upcoming Events

Summerfest 2022

Newark Valley Summerfest will be here before you know it. This year all events will be held at The Trout Pond Park. Plans are to have Vendors, Food, Music, Classic Car Show, Activities for kids, the famous Duck Race, and Fireworks at dark. Sponsorships are always welcome from local businesses. The Chamber will be holding a "Bucket Brigade" on July 2nd and July 16th on Route 38 in the Village, to collect for the Fireworks. Donation buckets can also be found in local businesses. To volunteer or if you have any questions, email northerntiogachamber@gmail.com

Richford Potato Festival

The Chamber will have food and vendors at Rawley Park at the Potato Festival on 9-17-2022

Your Invited

The Northern Tioga Chamber meets the 2nd Thursday of each month. We invite you to attend our meetings and welcome your participation and input. Please check our website for location, date, and time at northerntiogachamber.org You can contact the chamber office at northerntiogachamber@gmail.com Thank you for supporting the Northern Tioga Chamber!

Bluebell Day at the Farmstead

The Newark Valley Historical Society will hold Bluebell Day at the Farmstead on **Saturday, May 21, 2022 from 10am to 2pm** at the Bement-Billings Farmstead. This event is free to the public and includes a wide variety of activities. Guided bluebell viewing walks along a portion of the farmstead's Sycamore Trail are scheduled for 10:30am, 11:30am, 12:30pm and 1:30pm. Visitors are also welcomed to take self-guided walks along the trail. An informative tree walk is scheduled for 1:00pm. For added fun on the trail, the Tappan Spaulding Memorial Library will host a story walk activity featuring the book *The Hidden Rainbow* by Christie Matheson. There will be two different, family-friendly craft activities held in the farmstead's Welcome Center. Join us from 10am to 10:45am to make bluebell themed gift cards and bookmarks. From 11am to 11:45am, visitors can make a decorated hat. The snack bar will offer a menu of beverages, hot dogs and desserts. Seating is available in the farmstead's covered picnic table area near the snack bar. Bluebell seedlings can be found by the heritage garden. A variety of other plants will be available to take home with you, for a donation. A selection of unique items will be offered for sale in the Gift Shop.

Members of the historical society's guilds will provide demonstrations throughout Bluebell Day at the Farmstead. The Blacksmith's guild will be working at the farmstead's Blacksmith Shop. The Black Powder guild will demonstrate how to build a musket in a booth behind the Welcome Center. Members of the Shuttles and Spindles guild will demonstrate spinning and weaving in the Loom Barn. They will also have some hand carders and wool available for visitors who'd like to learn how to prepare fiber prior to spinning it. Members of the Cooking and Guides guild will demonstrate how to sew with antique sewing machines in the farmhouse parlor from 12:30pm to 2:00pm. All of the guilds are accepting new members. So, Bluebell Day is an ideal time to interact with the demonstrators and learn more about heritage skills and tools.

Plan to explore the many activities and demonstrations planned for Bluebell Day at the Farmstead. Free parking is available in the lot next to the Welcome Center. If you'd like more information about Bluebell Day or are interested in learning about volunteer and guild opportunities in the historical society, please visit www.nvhistory.org or call 607-642-9516.

Apple Festival

Artisans and Crafters, we are currently planning for our 41st Annual Apple Festival!

The Newark Valley Historical Society cordially invites you to submit your application to participate in Apple Festival on October 1-2, from 10:00 AM to 5:00 PM. The "Artisans' Marketplace" will consist of individual 10" x 10" spaces. We have a limited number of tents to rent for an additional \$35 for the weekend, so reserve early (or bring your own). Find more vendor information and application at <https://www.nvhistory.org/apple-festival-vendor-application.html>

NEWARK VALLEY FIRE DISTRICT:

Greetings from the Newark
Valley Fire District

First, many people don't understand the difference between the NV Fire District and NV Fire Department. These are two separate organizations that work together to provide fire protection services.

The NV District is a geographic area comprised of our village, town, and small parts of the town of Owego. It is administered by five non-paid elected commissioners who are responsible to provide fire protection to those areas. This Fire District owns the fire station/hall, all apparatus (the red trucks), and most equipment. The Fire District is totally tax-funded, and as such we are always trying to balance the tax rate and fire safety and quality of service. The district works with the NV Fire Department to provide the manpower (people on the red trucks) and technical services.

The Fire Department is all volunteer and consist of the chiefs, officers, and firefighters. Our Fire Department is currently very well equipped,

trained, organized, and functional with very dedicated members who provide many hours of volunteer service. The NV District is very proud and supportive of the NVFD. Bear in mind that the quality and capacity of your Fire District is a factor in your homeowner's insurance rates.

In addition to fire fighting and rescue responsibilities, the Fire Department also functions as a social organization and includes activities such as Open House, parades, breakfasts, and fire prevention activities. The Department is a non-profit 503C organization and is totally funded by donations and various fund-raising events.

We, as most volunteer organizations, are always in need of additional members. Along with firefighters, we need members for Fire Police, Fire Auxiliary, and various talents and skills from people of all ages. The training and activities can be challenging but usually fun and rewarding.

Additionally, the fire hall is available for rental. For information and booking, please contact Renee Callahan at 765-5409. The Fire Department also rents their pavilion located at the Dept. training grounds (behind the station, across the tracts, off Marean Rd.) For information and booking, please contact John Schaffer: jschaffer2@stny.rr.com
