UTILITY SERVICES & OTHER VILLAGE INFORMATION

Welcome to the Village! Whether you are new to the area, or returning after an absence, here are some updates.

Quarterly billing occurs for Water and/or Garbage-Recycling service in March, June, September and December. The due date is 30 days after billing; after 30 days, a 10% penalty is applied on unpaid balances, and a 2% penalty is applied monthly thereafter until paid in full. **

Regarding water billing, properties have electronic water meters and are read by the Dept. of Public Works 15 days before quarterly bills are prepared. All properties incur a minimum usage, capital charge and debt service charge. If you need further explanation of your bill please stop by the office during regular business hours and we can answer any questions you may have.

Solid Waste(garbage)/Recycling service is currently \$89.00 per quarter, \$79.00 for seniors 65+ and anyone with a disability. Service allows up to two (2) 32-gallon (maximum) garbage cans per week. Bags must be clear plastic & garbage must be placed at the curb by 6:00 AM on Mondays. Recyclable are collected by Taylor Garbage Service on Friday mornings. All recyclables must be placing in the blue lidded Taylor recycling cart to be picked up. Contact the Village office to sign up for garbage/recycling service.

If you are a tenant and your landlord does not offer collection service, we do offer the option of opening an account in your name, payable within 30 days of billing; if service is left unpaid after 30 days, garbage services would be terminated; as the tenant can request to have service re-instated but will need to pre-pay ahead for service at time of request.

If you have more than two garbage cans, you may purchase an excess garbage tag for \$3.50 for each additional can needed. Tags can also be purchased for large items that do not fit in a garbage can as well, for \$5.00/\$10.00 each, depending on the size of the item. A resident must be on the garbage service in order to use the additional/oversized tags. There is also an electronics/appliance tag system open to all residents. The Village also has 3 yd dumpsters available to rent for 1 week at a time. Stop into the Village Office during normal business hours to purchase any and all tags or reserve a dumpster.

**** Any Solid Waste/Recycling or Water fee amounts left unpaid as of January 31st will be levied onto the Village Tax Bill, which is mailed annually on March 1st ****

There is a Town of Newark Valley Annual Clean-Up Day, usually in April or May, open to all residents to dispose of their furniture, carpets, misc. household items that wouldn't be placed in regular weekly collection containers, appliances, electronics, etc. The Village also has brush/grass/leaves pickup throughout the year April – November on Tuesday mornings. Leaves and debris are to be in brown leaf bags or in containers that can be dumped; brush needs to be of certain size – contact Dept. of Public Works @ 642-8700 for more details. Also review the Village website and Facebook page for other announcements.

Village Board Meetings are held on the second Tuesday of each month at 6:30PM in the Municipal Building at 9 Park Street, Newark Valley, New York.

Office Hours: Monday – Thursday 9 AM - 5 PM and Friday 9 AM – NOON. For more information, view our website at villageofnewarkvalley.com or our Facebook page [Village of Newark Valley](https://www.facebook.com/VillageofNewarkValley).

Again, Welcome (or Welcome Back) to the Village!

“This institution is an equal opportunity provider, and employer.”
