March 19, 2014

Present: Robert Stevens, Laurie Boldis, Sharon Weed

James Tornatore, Mayor

Absent: Sindy Morse; Sandra Carlin; Laura Johnson, Trustee
Liaison

Guest: Village resident, Terry Cole

R. Stevens called meeting to order @ 7:00 PM.

Review of the initial survey results; copies given to members;
compilation still occurring for surveys in after dead line.

Article for Village newsletter compiled; names of committee members, history of when first formed, purpose of committee and Village sidewalk code will be in article; committee feels that copies of code should be available at Village office. Article is in response to some of the surveys that questioned who on committee and for what purpose.

Guest T. Cole stated reviewed how she felt when she received the code enforcement letter years ago, and felt it was strong and somewhat threatening. She stated she had concerns that she would be told to install sidewalk when feels her property is not big enough to do so.

R. Stevens reviewed the history of committee since 2007, and how each property was reviewed that faces street; the committee's conclusion was that a sidewalk should be installed *where feasible*.

R. Stevens also reiterated that for those existing sidewalks, the Village code in place to address those that are considered unsafe.

Per the initial survey results, Whig street was cited as needing to be prioritized due to school children and the presence of the HeadStart and health clinic.

T. Cole stated she felt better hearing that the committee took the survey results seriously and was listening to what the owners who responded had to say.

Motion to adjourn L. Boldis; second S. Weed; adjourned 8:20 PM.

*NEXT MEETING 4/16/14 @ 7 PM
